## 1000 Books Before Kindergarten Celebrating Our 6<sup>th</sup> Year!

We were thrilled to launch 1000 Books Before Kindergarten six years ago and we have witnessed firsthand many success stories over the years. The concept is simple and the rewards are priceless. Studies have shown that families who read aloud to their children help strengthen their language skills and build their vocabulary - two important tools for beginning to learn to read when kids enter kindergarten. Reading with your child provides a great opportunity for bonding, helps promote a life-long love of reading and helps ensure success at school.

Participants receive a prize for every 100 books they read, and a special prize will be awarded after reading 1000 books. To participate, pick up a packet at the Youth Services desk.

For more information about this national initiative go to [1000booksbeforekindergarten.org](http://1000booksbeforekindergarten.org).
