

Winfield Library The Inside Page

Volume 17, Issue 3 Fall 2021

New Virtual Newsstand

Our website has a new feature: a virtual newsstand, with details and login information for all our digital news resources. When you visit www.winfield.lib.il.us, click the Newsstand button on the navigation bar at the top of the page.

America's News Magazines has access to more than 25 national news magazines, including Newsweek. Check out hot topics, daily headlines, and special reports, with articles, images, videos, and other content about today's important topics.

Issues of the Daily Herald from 1995-2021 are available in full text. No pictures or ads are included before February 22, 2021. From that date forward, you have access to the full image edition of the paper. Download, save and email your favorite articles.

Our most recent subscription is The New York Times online. Get the same experience as an individual subscriber, with politics, business, books, food, and more. Get up to date information on the issues people are talking about. Be sure to read the login instructions for The New York Times on the Newsstand page.

PressReader has unlimited access to more than 2,000 newspapers and 3,000 magazines in 60 languages. PressReader includes the Chicago Tribune, Chicago Sun-Times, USA Today, Los Angeles Times, and more. You may also use the PressReader app! When you sign in, be sure to choose "Library or Group" our PIN is the same password you use for the library catalog. You will need to log in again after 30 days.

We added PressReader and The New York Times last year, as we searched for ways to expand our resources that are accessible from anywhere with your library card. The response from our community has been so positive that we will be keeping these subscriptions. We hope you take advantage of these and all our digital resources.

Find More Illinois

One of our most popular services is interlibrary loan, which allows the library to borrow materials and have them shipped to Winfield for our members. Find More Illinois is an expansion of interlibrary loan that allows Winfield library cardholders to directly request materials from other libraries.

First, login and check the Winfield Library catalog. If you don't find the item you are looking for, you may now use Find More to give you more libraries to search. Click on the stack next to the search box.

This will open a drop-down menu that will allow you to turn on the ILL (interlibrary loan) option. Check the ILL box, repeat your search, and you'll see which of our partner libraries own the item. If the item shows as available, place a hold on that item just like you do in our regular catalog. Still can't find it? Place your interlibrary loan request via phone or email, and a librarian will locate your item.
