Get To Know the Winfield Library Friends

As many readers are currently members of the Winfield Library Friends, we wanted to bring you up to speed on the activities of the group that is quietly working "behind the scenes" for our library. The Friends is a 501(c)3, not-for-profit organization, whose purpose is to provide volunteer assistance and raise funds exclusively to supplement the library's operating funds.

The Friends' most successful fundraising events are their semiannual book sales. In 2006, they raised over \$3500 from these sales, with your help! Over the years, the Friends have helped pay for the Summer Reading program, CD

shelving, promotional materials for National Library Week, and more. The Friends are always open to new ideas for fundraising events and your participation is encouraged.

Becoming a Friend couldn't be easier! Membership forms are available at the library and at Friends meetings. An individual membership is \$5, a family \$10, and additional amounts will always be gratefully accepted. We encourage current members, as well as library supporters interested in joining the group, to attend a Friends meeting. Upcoming meetings are March 7, April 4, and May 2 at 7:00 p.m. in the library's meeting room.

BOARD CORNER

... SURVEY UPDATE ...

The Library Board of Trustees hopes to have the results of our recent survey in time for our March 14th Board meeting, which will be held at 7:30 p.m. in our large community meeting room.

Your survey responses will provide us with crucial information that we will use to formulate our new strategic plan, comprised of long-range goals for library services, structure, and staff. To formulate this plan, the Board will meet in late March with Face to Face Communications and Training, an Oswego consulting firm that has helped other libraries, including Glen Ellyn Public Library, plan for the future.

The Board expects to have a five-year plan in place by May of this year when potential new board members will be joining us. As always, our goal is the best possible library and library services for Winfield.

We would like to express our gratitude to the Winfield Library Friends who generously gave \$3000 to defray the costs of printing and mailing the survey. Without the help of the Library Friends, many projects would go unfunded.

WE HAVE A WINNER

Congratulations to Library Director Matthew Suddarth, the proud recipient of a DuPage Library System grant to attend National Library Legislation Day in Washington D.C. The grant will allow Matthew to advocate on behalf of Illinois libraries in early May. Last year the group representing Illinois had meetings with Illinois legislators while enjoying the unique atmosphere of our nation's capitol.

Y.A. SUCCESS STORY

With paint, creativity and determined ideas, Katie Clark and Nuccia Choate have achieved what libraries all over the United States are trying to achieve; Young Adult book circulation statistics are up – WAY UP! Find the “Shrek green” wall in the library’s Y.A. Corner to see what an inviting atmosphere has been created. Thank you Katie and Nuccia, we are proud of your results.

REGISTER TO VOTE

Did you know that you can register to vote at the library? Winfield’s next election is April 17th, so be sure to visit the library before registration closes on March 20th.

WE WANT TO HEAR FROM YOU

With a new year underway, we look forward to more changes that will improve your library experience. Please contact your trustees or director if you have questions, comments or suggestions.
