Scanning Available on New Copiers

You asked for scanning, we delivered! The library has purchased two new photocopiers, one on each floor of the library. Both machines can make copies up to 11x17 inches, print double sided documents, enlarge documents, and scan to a USB or to an email address. Copies are still \$0.10 per page for black and white copies, and \$0.25 per page for color copies. Since no paper or ink is used to scan, scanning is free! Please bring your own USB to save your scan; you may also email it to yourself or another recipient. Ask for scanning or printing assistance at either service desk.

1000 Books Before Kindergarten is Off to a Great Start

We were thrilled to launch 1000 Books Before Kindergarten last September. The program encourages caregivers to read to children from infancy until they start Kindergarten, which instills a love for reading and develops early literacy skills. Along the way, children receive a prize for every 100 books read and have their picture taken at our Wall of Fame. An extra special prize will be awarded after reading 1000 books. We've had 122 children participate so far, and they read a

total of **17,500 books!** Sign up at the Youth Services Desk.
