

Search More, Find More

Winfield Library is rolling out a new service this spring: Find More Illinois, a tool that will help you get materials from other libraries quicker and easier than ever before.

One of our most popular services is interlibrary loan, which allows the library to borrow materials and have them shipped to Winfield for our members. Find More Illinois is an expansion of interlibrary loan that allows Winfield library cardholders to directly request materials from other libraries.

First, check the Winfield Library catalog. If you don't find the item you are looking for, you may now use Find More to give you more libraries to search. Click on the stack next to the search box.

This will open a drop-down menu that will allow you to turn on the ILL (interlibrary loan) option. Check the ILL box, repeat your search, and you'll see which of our partner libraries own the item. If the item shows as available, place a hold on that item just like you do in our regular catalog. Still can't find it? We will continue taking interlibrary loan requests via phone and email, and a librarian will locate your item.

Find Your Inspiration with Creativebug

Creativebug is a new service with thousands of award-winning art and craft video classes taught by recognized design experts and artists. For each project, you'll find a how-to video, supply list and photo gallery.

With sewing, paper crafts, quilting, knitting, jewelry and more, there's something to spark the creativity in everyone. Visit www.winfield.lib.il.us and log in to Creativebug with your library card number.

Entertainment at Your Fingertips

Winfield library cardholders now have access to great entertainment options on the go with RBdigital Entertainment: Acorn TV streams world-class mysteries, dramas, and comedies from Britain and beyond; The Great Courses Library Collection streams 150 of the most popular courses taught by the world's top professors; and Qello is the world's largest collection of full-length concerts and music documentaries streamed on-demand.

Check out all this and more! Download the RBdigital app to get the best experience on the go. Are you already using the app for digital audiobooks and magazines? You're ready to go! All these entertainment options are on the same app you use now.
