Illinois Libraries Present

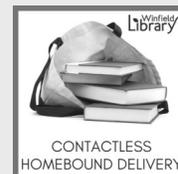

New partnership brings bestselling authors to Illinois libraries through statewide Zoom events.

Winfield Library is joining 200 libraries across Illinois in a new collaborative effort to bring virtual events with bestselling and esteemed authors to their communities. Joining forces for such events allows us to bring speakers to Winfield that might not be possible due to budget constraints or production capabilities. Our Adult Programmer Dawn Leardi has coordinated our involvement in this project and says, "We're looking forward to working with Illinois Libraries Present to bring more of these events to our community."

Look inside for details of a visit with Jenny Lawson, coming in March. Registration is required via Zoom; links are listed on our online program calendar. Be sure to check for more author visit announcements on our Facebook page.
